COMPLAINTS PROCEDURE

We aim to provide the highest quality of care for all our children. Our intention is to work in partnership with parents and the community and we welcome suggestions on how to improve our Club at any time. If however there are times when parents/carers feel dissatisfied or unfairly treated the procedure is detailed below:

- Any parent/carer who is concerned about any aspect of the Club's service should first of all talk over any worries and anxieties with either Gail or Jason.
- If this does not have a satisfactory outcome within seven days, or if the problem reoccurs, the parent should put the details in writing to either Gail or Jason. Full details of the complaint along with relevant names dates etc should be included.
- Gail or Jason will acknowledge the complaint and fully investigate the matter within 14 days. If for any reason there is a delay we will keep the parent up to date. Following the investigation we will issue a full reply.
- The response issued will be copied to any staff member involved, with recommendations for any action to be taken.

Most complaints should be resolved informally or at this initial stage. If the parent/carer is not satisfied with the outcome, they will be advised to report the complaint to Ofsted.

The Role of the Registering Authority

In some circumstances, it will be necessary to bring in the registering authority, Ofsted, who have a duty to ensure laid down requirements are adhered to. They would be involved if a child appeared to be at risk or where there seemed to be a possible breach of registration requirements. In these cases both the parents and the Club would be informed and the Co-ordinator would work with the authority to ensure a proper investigation of the complaint and appropriate follow up action.

The Ofsted complaints helpline is 0300 123 1231 and their website address is www.ofsted.gov.uk. Alternatively write to:

The National Business Unit Ofsted Piccadilly Gate Store Street Manchester M1 2WD

We believe that it is the best interests of both the Club and parents that complaints should be taken seriously and dealt with in a fair and objective manner.

A record of all complaints against Hebble Harlequins @ Gail & Jason's and/or the children and/or the staff at the club is kept, including the date, the circumstances of the complaint and how it was managed. All complaints are accessible to all staff and parents via Gail or Jason.
